Virginia Wines

This page reflects my love for great wines made by great people sourced from wineries here in Virginia. There are over 150 wineries so far, with more sure to come. The producers highlighted in this section are ones that consistently produce exceptional wines that rival the classic wine making regions

Glen Manor Vineyards

Glen Manor Vineyards is located just outside of Front Royal within sight of Skyline Drive. The vines grow deep on steep mountain slopes in a "Glen" formed by the surrounding mountains.

Bordeaux Blend, Glen Manor Vineyards "Vin Rouge", Front Royal, Virginia, 2008 \$56.00

Chatham Vineyards

Chatham Vineyards is located in the Eastern Shore AVA, giving it a unique microclimate. With the Chesapeake Bay to the West and the Atlantic Ocean to the East it benefits from a maritime climate which ensures a higher average temperature in the Winter and cooler temperatures during the Summer.

Cabernet Franc Blend, Church Creek "Vintners Blend, Eastern Shore, Virginia, 2008 \$45.00
Chardonnay, Chatham Vineyards, Church Creek "Steel", Eastern Shore, Virginia, 2009 \$40.00

Delaplane Cellars

Delaplane Cellars is a first rate winery with the intention of producing hand crafted single vineyard wines that express the unique terroir of each vineyard site. Their tasting room is located on Ball Mountain with a panoramic view of the surrounding vineyards and countryside.

Bordeaux Blend, Delaplane Cellars "Williams Gap", Virginia, 2008 \$65.00

Thibaut-Jannison Winery

These sparkling wines are produced by Claude Thibaut who brings his experience and expertise from Champagne region of France. Sourced from the Charlottesville region these are some of my favorite sparkling wines.

Brut Chardonnay," FIZZ", Thibault-Janisson Winery, Monticello, Virginia, NV \$48.00
Blanc de Chardonnay, Thibault-Janisson Winery, Monticello, Virginia, NV \$57.00

Old World VS. New World

Old World wine refers primarily to wine made in Europe but can also include other regions of the Mediterranean basin with long histories of wine making such as North Africa and the Near East. The phrase is often used in contrast to "New World wine" which refers primarily to wines from New World wine regions such as the United States, Australia, South America and South Africa.
